There's excitement. Then there's the kind of excitement that makes every moment behind the wheel a rush. <sup>1</sup> Put your compatible smartphone on the big screen and connect to your world. <sup>2</sup> Drive with more confidence. <sup>3</sup> The Nissan LEAF. This is how driving should feel.

### e-Pedal – One-pedal driving

Imagine having the option to drive with one pedal. Just press down for an instant rush and ease off to slow down. It's not only fun, but encourages you to drive more efficiently. Of course, going back to driving with two pedals is as easy as flipping a switch.<sup>5</sup>

## Feel the rush of instant acceleration

It's a thrill you never saw coming. Nissan LEAF's 100% electric drivetrain delivers instant acceleration as soon as you touch the pedal. Turn the wheel, and the fun continues, with a battery pack that sits low in the chassis, letting you hug the road.

### Standard Nissan Safety Shield® 360

Nissan Intelligent Mobility is changing how you move forever with technology that makes you feel more connected, confident, and excited.

As part of Nissan Intelligent Mobility, Safety Shield 360 consists of features that help you see more, sense more, and can give you an assist when you need it. The following features are standard on Nissan LEAF.<sup>3,4</sup>

Automatic Emergency Braking with Pedestrian Detection<sup>7</sup>

Rear Automatic Braking<sup>8</sup>

Rear Cross Traffic Alert<sup>9</sup>

Blind Spot Warning<sup>10</sup>

Lane Departure Warning<sup>11</sup>

High Beam Assist

There's nothing like seeing it on the big screen

People to see? Places to be? Just ask Siri®. Equipped with Siri® voice control, standard Apple CarPlay® brings your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more on board to your Nissan LEAF. Simply plug in your compatible iPhone® and go.<sup>2,12</sup>

Talk to Google on Android Auto™ and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, "Hey Google" or long-press the voice control button on your steering wheel.<sup>12,13,14</sup>

Charging your LEAF couldn't be easier: just plug it into a regular socket for an overnight top up. If you're in a hurry, use one of our approved home charging solutions. They're safe, smart and convenient - and they'll keep your Nissan LEAF charged and ready to go.

#### HOME CHARGING 7KW

Dynamic Power Management ensures optimal charging, using the available energy from your home connection in a smarter, more efficient way.

**NISSAN LEAF : ALERT TO FULL CHARGE IN UP TO 7H30 MIN**  
**NISSAN LEAF e+ : ALERT TO FULL CHARGE IN UP TO 11H30 MIN**

# Choose your charging and keep moving

#### PUBLIC QUICK CHARGING CHADEMO 50KW RAPID CHARGER [1]

**NISSAN LEAF : 20% TO 80% IN AROUND 60 MIN [1]**  
**NISSAN LEAF e+ : 20% TO 80% IN AROUND 90 MIN [1]**

[1] Figures quoted are for 40kWh (LEAF) and 62kWh (LEAF e+) batteries. Time dependent on charging conditions, including charger type and condition, battery temperature as well as ambient temperature at point of use. Indicated rapid charging time requires use of a CHAdeMO rapid charger. The Nissan LEAF is designed to support the majority of journeys in daily life and is equipped with charging safeguards to protect the battery during repeated rapid charging sessions in a short period of time. The time taken for successive rapid charging can take longer if the battery temperature activates the battery safeguarding technology.

### Grab hold of a driver-centric design

It's all around you. Bold lines, distinctive touches, and the sense that this is a vehicle like no other. The Nissan LEAF's driver-centric environment proves you don't have to sacrifice comfort or convenience when driving electric. A "floating" touch-screen display puts your compatible iPhone® on center stage with Apple CarPlay.<sup>12</sup> Top it off with features like a telescoping D-shaped steering wheel and a distinctive center console, and it's clear this interior was designed with you in mind.

Customizable digital gauge | Zero Gravity front seats<sup>20</sup> | D-shaped steering wheel

## SPECIFICATIONS

### Engine

110 kW AC synchronous electric motor

Horsepower – 147 hp

Torque – 236 lb-ft

Horsepower – 214 hp

Torque – 250 lb-ft

Emissions – Zero Emissions Vehicle (ZEV)<sup>34</sup>

40 kWh lithium-ion battery

6.6 kW onboard charger

Portable charge cable (120-V/240-V)

Quick Charge port – 50 kW

### Drivetrain

Regenerative braking system

Eco Mode

B-mode

### Brakes

Front and rear vented disc brakes

4-wheel Anti-lock Braking System (ABS)

Electronic Brake force Distribution (EBD)

Brake Assist<sup>35</sup>

Electronic parking brake

### Suspension/Chassis Bracing/Steering

Independent strut front suspension

Torsion beam rear suspension

Front and rear stabilizer bars

Vehicle-speed-sensitive electric power steering

### Driver Assistance Technologies

e-Pedal<sup>5</sup>

Cruise control

Intelligent Cruise Control<sup>29</sup>

Intelligent Forward Collision Warning<sup>24</sup>

Automatic Emergency Braking with Pedestrian Detection<sup>7</sup>

Intelligent Lane Intervention<sup>25</sup>

Intelligent Blind Spot Intervention<sup>26</sup>

Rear Cross Traffic Alert<sup>9</sup>

Around View Monitor (AVM)

Rear Sonar System<sup>36</sup>

Rear Automatic Braking<sup>8</sup>

High Beam Assist

Active Ride Control

Intelligent Trace Control<sup>37</sup>

Hill start assist

Vehicle Dynamic Control (VDC)<sup>38</sup> with Traction Control System (TCS)

### Wheels/Tires

17" x 6.5" machine-finished aluminum-alloy wheels

P215/50R17 All-Season tires

Tire repair kit

### Exterior Features

LED headlights with LED signature Daytime Running Lights

Intelligent Auto Headlights

Fog lights

Aerodynamic underbody panels and rear diffuser

Rear roof spoiler

Electric power folding outside mirrors

Charge port with light and lock

UV-reducing solar glass

### Comfort/Convenience

Automatic Temperature Control

Nissan Intelligent Key® with Push Button Start

12-volt DC power outlet<sup>2</sup>

Power door locks with auto-locking feature

Power windows with driver's window one-touch auto-up/down

Tilt and telescoping steering column

Auto-dimming rearview mirror

Variable intermittent windshield wipers and intermittent rear window wiper

Rear Door Alert<sup>28</sup>

Front map lights

Sun visors with vanity mirrors and extensions

Two cup holders

Four bottle holders

Removable cargo cover<sup>33</sup>

### Seating/Appointments

6-way manual adjustable driver's bucket seat

4-way manual adjustable front-passenger's bucket seat

Leather-appointed seats

Heated front seats

60/40-split fold-down rear seats

Leather-wrapped steering wheel

### Infotainment

Heated steering wheel

7" Information display (in gauge cluster)

NissanConnect® 8" color display with multi-touch control<sup>12</sup>

Voice Recognition<sup>14</sup>

Apple CarPlay® integration<sup>12</sup>

Android Auto™<sup>12</sup>

Bluetooth® Hands-free Phone System<sup>12</sup>

Hands-free Text Messaging Assistant<sup>13</sup>

Radio Data System (RDS)

Streaming Audio via Bluetooth®<sup>12</sup>

Three USB ports and one USB-C port<sup>2</sup>

Steering wheel-mounted audio controls

### Safety/Security

Nissan Advanced Air Bag System with dual-stage supplemental front air bags with seat belt and occupant-classification sensors<sup>39</sup>

Seat-mounted side-impact supplemental air bags for front and rear-seat outboard occupants<sup>39</sup>

Roof-mounted curtain supplemental air bags with rollover sensor for side-impact head protection for front and rear-seat outboard occupants<sup>39</sup>

3-point ALR/ELR passenger seat belt system (ELR for driver)

Front seat belts with pretensioners and load limiters

LATCH System (Lower Anchors and Tethers for Children)

Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert<sup>40, 41</sup>

Nissan Vehicle Immobilizer System

Vehicle Security System
